FEAST WEEK

19TH - 23RD MAY 2025

WHAT'S ON...

OUTDOOR COOKING & THE COB OVEN

Making and sharing food with friends and family can often give us real pleasure. In our classes, this week, we will be preparing and cooking food using our outdoor cob oven.

PSA INTERNATIONAL FOOD EVENING

The PSA will, once again, be running an International Food Evening on **Thursday 22nd May from 3.30-4.45pm**. We look forward to experiencing a range of dishes and seeing you all there.

Please see the website for more details.

LOCAL FOOD BANK

This week, we will hold assemblies led by the Highams Park Food Hub. They will share with the children ways in which we can help, and the impact that our support has on our local community.

We will be collecting donations to support all having access to nutritious food.

Donations of tinned and dried foods would be greatly appreciated.

FOOD WASTE

Did you know that enough food for the equivalent of 15 billion meals is wasted in the UK every single year? It's just staggering. This is enough to feed the entire UK population 3 meals a day for 11 weeks, just going to waste.
