# Family Homework Tasks

## Literacy - Writing

- Support your child to hold the pencil in the correct tripod grip.
- Write their full name using the correct letter formation.

## Literacy- Comprehension

- Encourage your child to talk about the stories that have been read to them by retelling the stories in their own words.
- Anticipate key events in a story.
- Identify characters and describe them.

## Literacy – Word Reading

- Encourage your child to say the correct sounds of the initial letters.
- Use the Read Write Inc pictures to support this.
- Learn 20 high frequency words

## Communication and Language

The most important part of this half term is settling the children into the school routines.

As parents you can support your child's learning and development by –

- Talking to your child about their day and listen to what they say.
- Encourage your child to talk in sentences.
- Model the correct use of language.

## Mathematics – Number

- Encourage your child to count to 10 then 20.
- Compare quantities up to 10 in different contexts.
- Encourage your child to practice their number bonds to 5 including subtracting too.

## Mathematics - Numerical Patterns

- Match numbers to the correct number of objects.
- Count groups of objects exploring less than and greater than.
- Explore numbers looking at odd and even.

## Reading at home

- All children will be expected to read for 10-15 minutes daily with an adult at home.
- The books will be changed weekly.
- Every child will have a Reading book and a Reading Record book.
- Please date and sign the Reading Record books when you or another adult read with your child.
- Your child will have a set of word cards to practice alongside the reading books.
- There are 4 sets of word cards to learn. These are the 45 common words in recpetion children are expected to know by the end of the year.
- Reading books, word cards and Reading record books are to be kept in your child's book bag and brought to school every day.
