IDEAS

Number Bonds

Create a poster to show your understanding of number bonds to 20.

Months of the Year

Write the months of the year and draw a picture of some of the important events that happen in each month.

Weather Diary

What is the weather like today? Keep a weather diary and make a note of the time it gets dark each evening.

Glow Jar

Make a glow jar using fairy lights or neon paint/glow sticks. Can you estimate the number of dots?

History

With a parent or grandparent at home we would like you to talk about the question: 'How has the way we communicate changed over time?' We wonder what information you can find out and how it makes you feel.

Exercise

As we know, exercise is an important part of being healthy. Why not try some, or all of these quick physical activities? - Jump/skip for 60 seconds without stopping. - How many sit ups can you do within 60 seconds? - How many lengths can you run within 60 seconds between two objects?

.

Please complete as many tasks as you are able to from those provided or perhaps you could even think of some of your own!
Where possible, use recyclable and reusable materials.
You have the rest of Spring 1 to complete these tasks.
Please see the due dates for projects on the front page.

Art

Create your own 3-D Andy Warhol inspired piece of art.

Winter Picture

Create your own winter picture/artwork like the one below. You may wish to use a variety of techniques to achieve your desired outcome

Fruit Salad

With a family member, why not make your very own healthy fruit salad?

3-D Shapes

Can you have a look around your home and see if you can find any 3D shapes in everyday objects. You can draw pictures of the objects or write about what you have found.

ENGLISH

Core Homework

For English, please practise the spellings on a weekly basis. These spellings will be practised in daily Read Write Inc sessions. Why not challenge yourself by building sentences using the spellings. We would also like to read for 15 minutes every day. This can be with an adult or independently.
