IDEAS

Physical Development

Can you go on a litter pick with your family and friends? What kind of plastic pollution did you find?

Literacy - Comprehension

Can you create a poster about your favourite animal which you can present to your class?

UTW

Can you go on a walk with your family and discuss the changes in the season?

Maths

Can you create a number bonds poster to 10 and 20?

Please complete as many tasks as you are able to from those provided or perhaps you could even think of some of your own!

Where possible, use recyclable and reusable materials.

You have the rest of Summer 1 to complete these tasks. Please see the due dates for projects on the front page.

Expressive Arts and Design

Can you create an animal mask using recycled materials?

Literacy - Writing

Can you create a fact file about your favourite animal? Remember to use your sounds.

Literacy - Reading

How many different places can you get caught reading a book?

Reading Challenge

Can you visit your local library and explore their book collections? Why not take out a book too?

ENGLISH

Literacy - Writing

- Support your child to hold the pencil in the correct tripod grip.
- Write their full name using the correct letter formation.
- Encourage your child to read and write simple sentences using CVC and Green words, applying their phonics knowledge.

PHONICS

45 High Frequency words to learn

I	a	my	to	and
the	mum	dad	we	went
is	on	it	in	me
was	yes	no	cat	go
up	dog	look	like	at
play	am	day	big	come
for	this	going	she	you
they	of	are	away	all
can	said	get	he	see

MATHS

Mathematics - Numerical patterns

- Count with your child, supporting them to count beyond 20 using 1:1 correspondence.
- Explore the concept of time with your child. Can they tell the time? Use a clock or watch and identify different times of the day!
- Can you write your numbers from 1-20 and beyond? Look for patterns in the number grid.
