WHITEHALL

Summer 2 Week 1

Message from the Headteacher

18th June 3:30 -5:00

Please join us in supporting War Child, a charity that helps children affected by war and conflict around the world.

Every child deserves to live in safety and have the opportunity to learn, grow, and thrive. Unfortunately, millions of children are impacted by conflict and displacement. Through this fundraiser, we hope to raise both awareness and vital funds to support children whose lives have been affected by war.

As part of our exhibition, One, children will present a series of powerful performances exploring important global issues and highlighting the experiences of children living through conflict. These performances aim to inspire reflection, empathy, and positive action. Performances will take place throughout the afternoon, beginning promptly at 3:40pm. As this event will take place on the school field, please feel free to bring a picnic blanket and sun cream. There will also be a variety of food and drink stalls, along with a range of activities for everyone to enjoy. Raffle tickets will be used instead of money at all stalls. £1 per raffle ticket

- 1 raffle ticket can be exchanged for food or a drink
- 2 raffle tickets are required to take part in an activity

Please bring your money and support this important cause. Every ticket purchased will help raise funds for children affected by war and conflict. We stand in solidarity with every child living in unsafe conditions. We believe that every child, wherever they are born, has the right to be safe, protected, and free from harm.

Thank you for helping us support War Child and provide hope for children who need it most.

Best Wishes, The Whitehall Collective
