IDEAS

Local walk

Visit your local area. Record what you see, hear, smell and feel.

Forest dance/music

What sounds can you hear in the forest? How could you recreate these to make music? Think about night and day.

Story writing

Create a story about Grace's life after she gets the role of Peter Pan. Consider the setting, main characters and what adventures Grace gets up to next.

Poetry

Write a poem about Grace and her family. It does not have to rhyme.

Word search/ crossword

Create a word search using at least 8 geographical feature keywords.
(cliff, tree, town, harbour)

Local history

Can you find any old pictures of the local area? How has it changed through time?

Detective maths

Investigate how many different number bonds you can find for 50. If you want to really challenge yourself, do the same for 100.

Please complete as many tasks as you are able to from those provided or perhaps you could even think of some of your own!
Where possible, use recyclable and reusable materials.
You have the rest of Autumn 1 to complete these tasks. Please see the due dates for projects on the front page.

Fieldwork

Think about what you would like to find out about in your local area. Can you write this as a question and find the answer out for yourself?

Making maps

Create a map of your local area. Can you show the way you travel to school?

Waltham Forest art

Look at some of the art work by William Morris. Can you create your own piece of art inspired by his work?

Did You Know?

Create your own amazing fact file about Chingford. Teach your newfound knowledge to your friends and family.

ENGLISH

Core Homework

For English, please practise the spellings on a weekly basis. You will have weekly spelling test, in class, with your teacher on a Monday. As a minimum, you should learn the spellings for the given week. However, why not challenge yourself by building sentences using the spellings.
We would also like to read for 20 minutes every day. This can be with an adult or independently.

MATHS

Core Homework

Children are expected to know the 2, 5, 10 and 3 times tables by the end of Year 2. Start by learning your 2, 5 and 10 times tables off by heart. If you know these already, try your 3 times table!
We would also like you to practise telling the time using an analogue clock and measure in cm using a ruler.
Remember you can use your TTRS login to support with this.
